[Signs of Last Day](#)

Among the Signs of the Last Day as disclosed by Prophet Muhammad (peace and blessings of Allah be upon him)

He explained that the perception of time moving faster would be in consequence of the 'remembrance' of Allah

The blessed Prophet also warned that such would be a time of great betrayals in which "temptations would be great"

There can be no doubt whatsoever that this so-called age of 'progress' is, indeed, the age when these signs are manifest
